

Healthy Rewards

Melbourne University Soccer Club And for you

At Latrobe we've been caring for families for over 50 years, providing access to the best possible hospital and ancillary services.

We understand the family budget may be a little tight at times and so can the club's -

Healthy Rewards can help with both!

The Healthy Rewards program offers health cover at competitive rates to your club's staff and members. You enjoy all the benefits of private health cover at more affordable prices. And as an extra reward, **Latrobe will donate \$50 to the Melbourne University Soccer Club.**

Yes that's right! For every new Healthy Rewards membership your club receives \$50 to help with purchases such as team uniforms, equipment or even clubhouse amenities.

Now that's Healthy!

You see, at Latrobe we care in more ways than one. Why?

Because we play sport as well.
