Changes to 2019

Due to a number of other club's not being able to field Reserve or Over 35 teams in 2021, VicSoccer have restructured their competitions.

The Premier League competition will no longer be seniors & reserves. There will not be a dedicated Over 35s league.

Harry's Over 35s team will play in Division 2, alongside the two teams run by Tom M & Carlo. One of Kevin's teams will enter into the Premier League and the other in Division 1 (with fixtures & kickoff times optimised to still allow the teams to act as a Seniors / Reserves). Tom P's team will be entered into Division 1.

VicSoccer will issue any fines to MUSC and the club will pay it. The individual player responsible for the fine must reimburse MUSC before they are again eligible to play for the club.

Be aware of your coverage and seek additional insurance independently if you are not satisfied.

The club will assist you in making any claims

A Physio partnership for 2021 is to be confirmed.

Princes Park

Princes Park is managed by the City of Melbourne. MUSC hires the grounds & pavilion from the council. The club needs to abide by the CoM usage and lighting policies.

Conduct all warm ups off the pitches!

Be especially protective of the goalmouths during training. If these deteriorate the council will fence off the impacted area and we won't be able to use the goals.

MUSC may reallocate training grounds throughout the season if particular squads are not utilising their allocation due to poor attendance.

Northern Pavilion

The Northern Pavilion is for all club members to use and enjoy. Make yourself at home! Respect and get to know your club mates who are also using the space.

Boots are never to be worn in the Northern Pavilion's carpeted areas.

Members are responsible for ensuring the Northern Pavilion is not left unattended while it is unlocked.

Teams are responsible for ensuring the club's equipment room is kept tidy and that all equipment used is returned to its correct storage location.

Teams are responsible for sweeping out the home and away change rooms after matches.

BYO alcohol is strictly prohibited! Bringing alcohol to MUSC facilities is a breach of the club's liquor licence.

The bar, canteen & BBQ will be available when inducted volunteers are available to run them.
