Registration Fees

No players are paid to play football for MUSC, and all players pay registration.

The registration fees for men's team players in 2021 are:

2021 Melbourne University students*	\$355
2021 Students of other institutions*	\$430
Non-students	\$475

* *Proof of enrolment required*

From the beginning of pre-season to the end of the playing season, this equates to between \$10 and \$14 per week.

The club enforces a "No Pay, No Play" policy. A significant portion of your registration fee will go to the football federation you are being registered play in. Your registration will not be finalised until your entire registration fee has been received by the club.

MUSC is a not-for-profit organisation. Any money raised by the club is spent on delivering football opportunities to members.
