

Position Description: MSL4R Reserves Coach

Position title: Men's State League 4 Reserves Coach

Reports to: Football Committee

Key Focus of Melbourne University:

To create a sustainable senior football program that embraces our club culture of

- Developing players to be positive contributors and leaders in the community.
- Encouraging, developing and possible promotion of home grown talent

All of which, ultimately enables the club to reach our strategic goal of playing in State League 3 by 2023.

Key focus of this position:

We are looking for a coach to oversee the Men's State League 4 Reserves football program. This coach will work closely with the MSL4 Seniors coach to implement the club's Men's State League football program within a squad-based format. A core focus of this position is player development.

MUSC is in a unique position of having two Men's State League teams; one currently entered in Men's State League 4 and the other in Men's State League 5. The Men's State League 4 team provides a competitive playing environment with a strong focus on high performance development.

Success in this role will require a coach who: can identify talent; run engaging training sessions; adopt a holistic approach to players' development as footballers and individuals; and collaborates proactively with other coaches.

We're looking for a coach who brings passion and positivity to everything they do. They will be an exceptional communicator. They will buy into and enhance our club culture.

This will all enable Melbourne University Soccer Club to be a competitive force in State League Football and contributes towards our goals of being promoted to State League 3.
