

Position Description - Thirds Coach

Position title: Thirds Coach

Reports to: Football Committee

Key Focus of Melbourne University:

To create a sustainable senior football program that embraces our club culture of

- Developing players to be positive contributors and leaders in the community.
- Encouraging, developing and possible promotion of home grown talent

All of which, ultimately enables the club to reach our strategic goal of playing in State League 3 by 2023.

Key focus of this position:

We are looking for a coach to oversee the Men's Thirds team within our Men's Metro Program. This coach will work closely with the Men's State League coaches and Men's Metro coaches to develop a team capable of performing at the highest level of Football Victoria's Men's Metropolitan leagues and provide a strong pool of players to support our Men's State League Program throughout the season.

Success in this role will require a coach who: can identify talent; run engaging training sessions; adopt a holistic approach to players' development as footballers and individuals; and collaborates proactively with other coaches.

We're looking for a coach who brings passion and positivity to everything they do. They will be an exceptional communicator. They will buy into and enhance our club culture.

This will all enable Melbourne University Soccer Club to be a competitive force in State League Football and contribute towards our goals of being promoted to State League 3.
